 - Yes / No
 - **If no:** end survey
2. Approximately how many vehicles are in your company's fleet?
 - <25 / 26 - 50 / 51 - 99 / 100 - 199 / 200 - 299 / 300 - 499 / 500 - 999 / 1000+
3. Which of the following best describes your company's relationship with WEX?
 - We currently use WEX products / We used WEX products in the past but do not today / We have never used WEX products

Current usage of WEX and other tools

4. Which of the following tools or services does your company currently use? (Select all that apply)
 - A fuel card or fleet payment card / Telematics or GPS tracking (Azuga, Geotab) / Fleet management or maintenance software (Fleetio) / Field service management software (Jobber, ServiceTitan) / Accounting software (QuickBooks, Sage) / Driver safety or coaching tools / Custom in-house software for fleet reporting or analytics / Other: [write in] / None of these
5. **For each tool selected:** Approximately how much does your company pay for [tool] per month?
 - Under \$50 / \$50 to \$199 / \$200 to \$499 / \$500 to \$999 / \$1,000 or more / Don't know
6. **If they use 2+ tools:** Which one of these tools do you find most valuable?
 - [Single select from options selected in Q4]
7. **If they use 2+ tools:** What about that tool makes it most valuable to you?
 - [Open response, optional]
8. **If prospect and selects "fuel card":** Which fuel card does your company primarily use?

- Fuelman (Corpay) / Comdata (Corpay) / Coast / AtoB / Motive Card / Voyager / A fuel brand card (for example Shell, ExxonMobil, BP) / Other [write in]

Q9-Q16 are for current WEX customers ONLY. Everyone else, skip ahead to Q17.

- Which factors most influenced your company's decision to use WEX as its provider? (Select up to 3)
 - Price, rebates, or discounts / The size of the station or merchant network / Fraud protection and purchase controls / Reporting and analytics / A recommendation from a sales representative / A recommendation from a peer or another business / Integration with tools we already use / WEX's reputation and reliability / WEX was already in place when I joined the company / Other: [write in]
- How is your company's current agreement with WEX structured? (Select the best option)
 - We have a negotiated enterprise agreement with WEX (custom pricing and/or terms) / We pay a recurring monthly fee / We pay a recurring annual fee / We pay a recurring fee per card, vehicle, or driver / We pay fees based on fuel card usage or spend (e.g., a percentage of spend, basis points, or transaction fees) / Our agreement includes a combination of fees (e.g., account fees plus usage-based fees) / I'm not sure / Other [Write in]
- Approximately how much do you pay for WEX per month in total?
 - Under \$50 / \$50 to \$199 / \$200 to \$499 / \$500 to \$999 / \$1,000 - \$4,999 / \$5,000 or more / Don't know
- In which of the following ways do you interact with WEX? (Select all that apply)
 - WEX Online (the customer portal) / Emails from WEX / A WEX sales or account representative / WEX customer service by phone / The WEX website / Monthly statements or invoices / Other: [write in]
- If “WEX sales rep”:** How often do you interact with a WEX sales or account representative?
 - Weekly or more / Monthly / A few times a year / Less than once a year / Never
- If “Wex Online”:** Which of the following do you do regularly in WEX Online? (Select all that apply)
 - Make payments / Add or manage cards / View transactions / Set purchase controls or spending limits / Manage drivers and vehicles / Use ClearView / Run or scheduling reports / Connect your telematics or GPS provider to WEX Online / Access real-time fraud alerts / Other: [write in]
- If “Wex Online”:** How often do you interact with WEX Online?
 - Weekly or more / Monthly / A few times a year / Less than once a year / Never
- If “Wex Online”:** What frustrations or challenges do you have with WEX Online today?
 - [Open response, optional]

Assessing positioning and feature/capability value

17. This material describes a hypothetical product offering. Please review this material (**product positioning V1, V2, V3 by random assignment**). Based on what you saw, how interested would you be in using this product?
- Not at all interested / Not interested / Neutral / Somewhat interested / Very interested
18. Please review the list below and select the three **capabilities** that would provide the most value to your business. (Select 3)
- See your fleet at a glance with dashboards / Forecast fuel spend to plan confidently / Surface the biggest opportunities to save / Conversationally explore data for answers you need / Automatically receive custom recommendations / Quickly flag and resolve suspected fraud / Send messages to support driver fueling decisions / Improve driver behavior with hands off coaching / Manage operations from your existing systems / Call a dedicated specialist when you need expertise
19. **Ask for each of the top 3 capabilities:** How often would you expect to use this capability?
- Daily / a few times a week / a few times a month / monthly / rarely
20. Please review the list below and select the three capabilities that would provide the least value to your business. (Select 3)
- See your fleet at a glance with dashboards / Forecast fuel spend to plan confidently / Surface the biggest opportunities to save / Conversationally explore data for answers you need / Automatically receive custom recommendations / Quickly flag and resolve suspected fraud / Send messages to support driver fueling decisions / Improve driver behavior with hands off coaching / Manage operations from your existing systems / Call a dedicated specialist when you need expertise
21. **If prospect:** Overall, how similar or different is this product from what you already have access to?
- Essentially the same / Somewhat similar / Neutral / Somewhat different / Very different
22. **If current customer:** Overall, how similar or different is this product from others you have seen on the market (i.e., from other providers)?
- Essentially the same / Somewhat similar / Neutral / Somewhat different / Very different
23. **If current customer:** Which of the following capabilities, if any, feel unique or distinctive compared with other products you have seen? (Select all that apply)
- See your fleet at a glance with dashboards / Forecast fuel spend to plan confidently / Surface the biggest opportunities to save / Conversationally explore data for answers you

need / Automatically receive custom recommendations / Quickly flag and resolve suspected fraud / Send messages to support driver fueling decisions / Improve driver behavior with hands off coaching / Manage operations from your existing systems / Call a dedicated specialist when you need expertise

24. How confident are you that WEX could deliver this product well?

- Not at all confident / Not confident / Neutral / Confident / Very confident

25. If you would like to hear more about this product when it is finalized and becomes available, enter your email address below and you will be added to the waitlist.

- [Open text, enter email]

Q26-Q32 are for participants with a fleet of <200 ONLY. 200+ vehicles, skip ahead to Q33.

Understanding mid-market's willingness to pay

26. Look at this hypothetical **pricing page (random assignment V1 or V2)**. How valuable do you think the Professional product offering would be for your business?

- Not at all valuable / Not valuable / Neutral / Somewhat valuable / Extremely valuable

27. How valuable do you think the Concierge product offering would be for your business?

- Not at all valuable / Not valuable / Neutral / Somewhat valuable / Extremely valuable

28. If you were deciding today, which product offering would you choose for your business?

- Keep the Starter product / Upgrade to Professional / Upgrade to Concierge / Not sure

29. For what reasons would you choose that product offering?

- [Optional, open response]

30. Which **fee structure** for the Premium and Concierge product offerings would make the most sense for the way your business operates?

- A set monthly subscription fee / A fee per card per month / A set annual subscription fee / Not sure / No preference

31. **Routed to response options based on answer to Q31:** We want to understand specifically what the Professional offering would be worth to a business like yours. **(Same variant of pricing page shown)** Would your company sign up for the Professional tier at the prices listed below? (For each price, select whether you would “Yes, we would sign up”, or “No, we would not sign up”)

- **Set monthly fee:** \$10 / \$25 / \$40 / \$50 / \$75 / \$100 / \$120 / \$150 per month
- **Set annual fee:** \$100 / \$250 / \$500 / \$750 / \$1,000 / \$1,500 / \$2,000 / \$2,500 per year
- **Per card per month fee:** \$0.15 / \$0.25 / \$0.50 / \$1 / \$1.50 / \$2 / \$3 / \$5 per card/month

32. **Pull highest price point listed:** Realistically, how likely would your company be to actually sign up for the Professional product at \$[X per month / per year / per card per month] within the next six months?

- Highly unlikely / Unlikely / Neutral / Somewhat likely / Highly likely

Q33-37 are for customers with a fleet of >200 ONLY. If <200 vehicles, skip ahead to Q38.

Understanding large segment's willingness to pay

33. Which of the following capabilities, if any, would your company be willing to pay an additional charge for? (Select all that apply.)

- See your fleet at a glance with dashboards / Forecast fuel spend to plan confidently / Surface the biggest opportunities to save / Conversationally explore data for answers you need / Automatically receive custom recommendations / Quickly flag and resolve suspected fraud / Send messages to support driver fueling decisions / Improve driver behavior with hands off coaching / Manage operations from your existing systems / Call a dedicated specialist when you need expertise

34. Overall, how acceptable would it be if WEX charged an additional amount to your business for product capabilities like these?

- Completely unacceptable / Somewhat unacceptable / Neutral / Somewhat acceptable / Very acceptable

35. **If current customer:** If these capabilities were included, what increase in your company's overall WEX costs would be acceptable, regardless of whether it came from a fixed fee or a transaction-based fee (e.g., basis points)?

- No increase / Up to 1% / 1–2% / 3–5% / 6–10% / 11–20% / More than 20% / Not sure

36. **If current customer:** Imagine WEX introduced these capabilities as a paid add-on rather than including them in your current agreement. If that happened, how likely would you be to continue with WEX?

- Not likely at all / Not likely / Neutral / Likely / Highly likely

37. **If current customer:** Imagine WEX introduced these capabilities as a paid add-on rather than including them in your current agreement. If that happened, how likely would you be to consider alternative providers at your next contract renewal?

- Not likely at all / Not likely / Neutral / Likely / Highly likely

Closing and demographics

38. In the future, if the product becomes available, how would you most prefer to receive additional information about it?

- An email / A message inside the online portal you already use / A call from a sales or account representative / An industry event or publication / A peer or another business owner mentioning it / Not sure / Other [write in]

39. Which industry best describes your company?

- Construction / Trades (plumbing, electrical) / Landscaping or pest control / Transportation and delivery / Business or professional services / Food and beverage / Retail / Healthcare / Utilities or energy / Government or public sector / Agriculture / Other: [write in]

40. Which of the statements below best describes your company's fleet size?

- The number of vehicles in my fleet is currently growing / The number of vehicles in my fleet is currently shrinking / Our fleet size is staying stable

41. Approximately how much does your company spend on fuel per month?

- Under \$1,000 / \$1,000 - \$5,000 / \$5,000 - \$20,000 / \$20,000 - \$100,000 / \$100,000 - \$500,000 / \$500,000+

42. What percentage of your company's total monthly operating spend does fuel represent?

- 0-5% / 5-10% / 10-20% / 20-30% / 30-50% / 50%-70% / >70%

43. **If prospect:** Does your company currently pay a recurring fee for its fuel card program, such as a monthly fee per card or per account?

- Yes / No / Not sure

44. **If yes and prospect:** How is your recurring fee structured? E.g., Do you pay a regular fee per card, per month, or something different?

- We pay a set monthly fee / We pay a set annual fee / We pay a fee per card / Don't know / Other [write in]

45. ***If yes and prospect:*** Approximately how much do you pay per month in total?

- Under \$50 / \$50 to \$199 / \$200 to \$499 / \$500 or more / Don't know

46. How many other people share responsibility for fleet management decisions with you?

- 0 / 1-2 / 3-5 / 5+

47. Is there anything else you would like to share with us? [Open response, optional]
